NAYLAND COLLEGE ENROLMENT SCHEME

For information regarding our enrolment scheme, including home zone boundaries, please contact Nayland College reception or visit our website: <http://www.nayland.school.nz/enrolment/zone>

Students who live inside the home zone have an absolute entitlement to enrol at Nayland College (Section 74(1) Education and Training Act 2020).

The Ministry of Education requires the Nayland College Board to ensure that all students enrolling to attend Nayland College meet the requirements of the school's enrolment scheme. Applicants who live inside the zone will be required to provide two current forms of evidence showing proof of address. Documents used for proof of address must be current (within 6 weeks) and from a Government Department e.g. IRD, NZTA, Housing NZ, Work & Income, tenancy agreement or a power/telephone account. Bank statements may only be used as secondary forms of evidence. Insurance statements will not be accepted.

If you need to discuss any special circumstances, please make an appointment for an interview with our Transition Manager Rachael Purdie. Phone (03) 547 9769 ext 809 or email rachael.purdie@nayland.school.nz

Please tick and complete either Section A or Section B.

SECTION A: Student lives INSIDE the zone

The address given for Residence A at the time of application for enrolment must be the student's usual place of residence when the school is open for instruction. The student must reside at this address with a parent or legal guardian who either owns, rents or leases the property.

This means that if you currently live at an in-zone address but move to an out-of-zone address before your child's first day of attendance at the school, your child will not be entitled to enrol at the school.

The Ministry of Education has advised that parents should also be warned of the possible consequences of deliberately attempting to gain enrolment by knowingly giving a false address or making an in-zone living arrangement that they intend to be only temporary e.g.

- renting accommodation in-zone on a short-term basis;
- arranging temporary board in-zone with a relative or family friend;
- using the in-zone address of a relative or friend as an "address of convenience", with no intention of living there on an ongoing basis.

Before enrolment takes place (i.e. before attendance begins), if the board has reasonable grounds for believing that the given in-zone address will not be a genuine, ongoing living arrangement, the board may withdraw any offer of a place it might have made on the basis of the given address.

After attendance has begun, if the school learns that a student is no longer living at the in-zone address given at the time of application for enrolment and has reasonable grounds to believe that a temporary in-zone residence has been used for the purpose of gaining enrolment at the school, then the board may review the enrolment. Unless the parents can give a satisfactory explanation, the board may annul the enrolment. This course of action is provided for under section 110A of the Education Act 1989.

PARENT/CAREGIVER DECLARATION:

I confirm that the address I have provided in Residence A will be the usual place of residence for my child when the school is open for instruction and that they will reside at this address with a parent or legal guardian who owns, rents or leases the property. I will advise the school of any subsequent change of address.

Parent/Legal Guardian Name: _____ Signature: _____ Date: _____

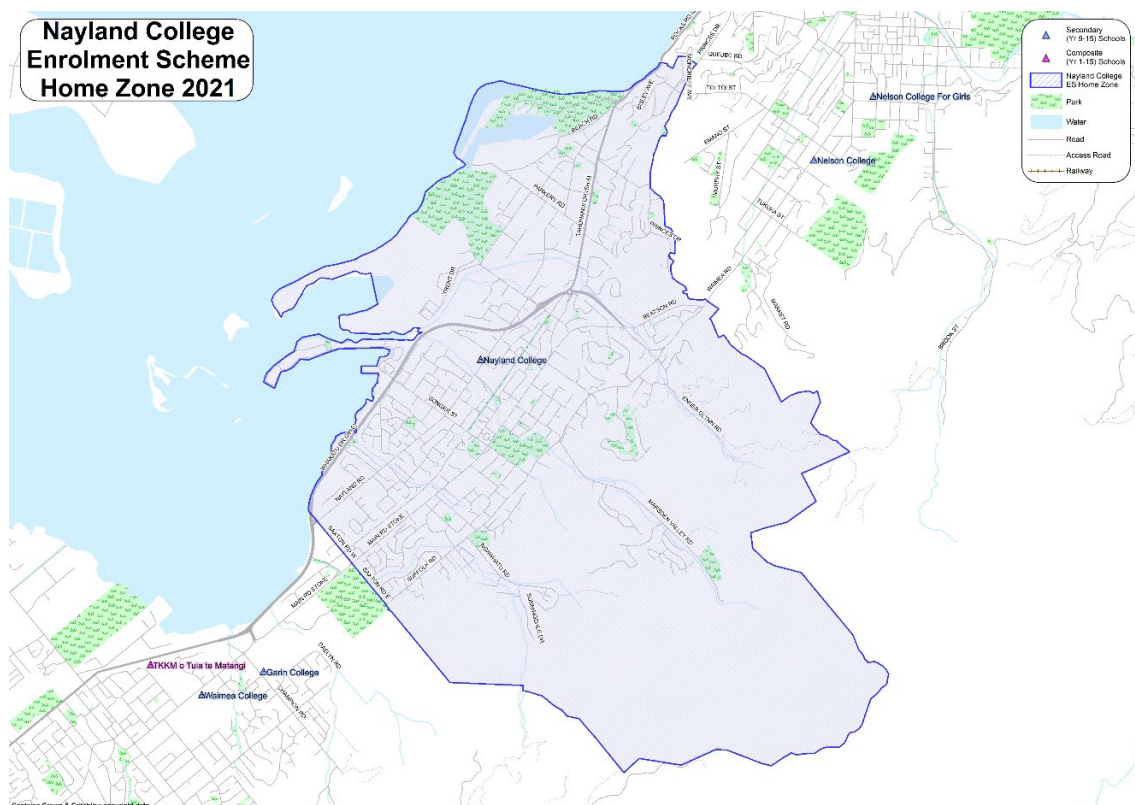

SECTION B: Student lives OUTSIDE the zone

The enrolment of out-of-zone students is governed by the provisions of the Education and Training Act 2020. Out-of-zone places are subject to priority levels as stated in the Act.

Any out-of-zone enrolments submitted after this date will not be eligible for the ballot.** The ballot will be drawn on 9 September and successful out-of-zone enrolments will be notified within three school days.

Please indicate which of the following priority levels apply to you:

BLANKET CONSENT FOR EOTC

Nayland College believes in using a range of environments and experiences to enhance our students' learning. We are fortunate to have access to beaches, rivers and mountains, alongside various built environments in our community. These areas provide rich learning environments for our students both in and out of school, and we value giving our students a wide range of opportunities to extend their learning.

This Education Outside of the Classroom (EOTC) form is to request consent for your child to participate in EOTC events which occur **during the course of a school day, on-site or in the local area, and at a low risk level**. Example events include: walking to Broadgreen House, local sporting events, orienteering, environmental work on Poorman Valley Stream, swimming at the Nayland Pools, careers trips to local businesses, Hospitality students visiting cafes or suppliers etc.

These events will be managed according to the school's safety management procedures for such events. Information will be communicated about these events, but **your consent will not be requested**. If you have any questions or concerns about your child's participation at any time, please do not hesitate to contact the school.

Where an event involves **risk exposure greater than what would typically be the case at school**, such as adventurous activities or hazardous environments, or the event continues overnight, **specific consent will be required**. At the time of our seeking any further consents you will also be asked to update the health and contact information held by school.

Details on this form will remain confidential to school staff, contractors and volunteers associated with supervising activities on EOTC events. It is crucial that you provide us with up-to-date information, that is accurate and complete, to allow us to plan appropriately for EOTC.

Please ensure that student details such as health information and emergency contacts are kept up to date with the school office during the year.

- I agree to my child taking part in EOTC events. I acknowledge the need for them to behave responsibly.
- I have read the EOTC activities information covered by the blanket consent, and I understand the specific risks associated with involvement in these.
- I understand that these risks cannot be completely eliminated.
- I understand the school will identify any foreseeable risks or hazards and implement effective management procedures to eliminate or minimise those risks.
- I know that I am able to ask any questions of the school about the activities my child will be involved in, to gain a better understanding of the risks involved. I recognise that participation in such activities is voluntary and not mandatory. My child and I both understand that they may withdraw from the activity if they feel at risk. This must be done in consultation with the person in charge.
- I understand that the school will encourage all students to participate to their full potential, and for some students a support plan will be implemented following discussion with whānau to achieve this.
- I understand that behaviour will be monitored and supports put in place to promote the full participation of all students.
- I understand that my child will be involved in the development of safety procedures. I will do my best to ensure that my child follows these procedures.
- If my child is involved in a serious disciplinary problem, including the use of illegal substances and/or alcohol, or actions that threaten the safety of others, they will be sent home at my expense.
- I understand that the school does not accept responsibility for loss or damage to personal property (either my child's property or damage to other's property caused by my child) and that it is my responsibility to check my own insurance policy.
- In an emergency the school may act on my behalf.
- I agree to my child receiving any emergency treatment, as considered necessary by the medical authorities present.
- I agree to cover any medical costs incurred.
- I will inform the school as soon as possible of any changes in the medical or other circumstances.
