## NAYLAND COLLEGE ENROLMENT SCHEME

For information regarding our enrolment scheme, including home zone boundaries, please contact Nayland College reception or visit our website: <http://www.nayland.school.nz/enrolment/zone>

Students who live inside the home zone have an absolute entitlement to enrol at Nayland College (Section 74(1) Education and Training Act 2020).

The Ministry of Education requires the Nayland College Board to ensure that all students enrolling to attend Nayland College meet the requirements of the school's enrolment scheme. Applicants who live inside the zone will be required to provide two current forms of evidence showing proof of address. Documents used for proof of address must be current (within 6 weeks) and from a Government Department e.g. IRD, NZTA, Housing NZ, Work & Income, tenancy agreement or a power/telephone account. Bank statements may only be used as secondary forms of evidence. Insurance statements will not be accepted.

If you need to discuss any special circumstances please make an appointment for an interview with our Transition Manager Kathy Sherwood. Phone (03) 547 9769 ext 831 or email [kathy.sherwood@nayland.school.nz](mailto:kathy.sherwood@nayland.school.nz)

Please tick and complete either Section A or Section B.

### SECTION A: Student lives INSIDE the zone

**The address given for Residence A at the time of application for enrolment must be the student's usual place of residence when the school is open for instruction. The student must reside at this address with a parent or legal guardian who either owns, rents or leases the property.**

This means that if you currently live at an in-zone address but move to an out-of-zone address before your child's first day of attendance at the school, your child will not be entitled to enrol at the school.

The Ministry of Education has advised that parents should also be warned of the possible consequences of deliberately attempting to gain enrolment by knowingly giving a false address or making an in-zone living arrangement that they intend to be only temporary e.g.

- renting accommodation in-zone on a short-term basis;
- arranging temporary board in-zone with a relative or family friend;
- using the in-zone address of a relative or friend as an "address of convenience", with no intention of living there on an ongoing basis.

Before enrolment takes place (i.e. before attendance begins), if the board has reasonable grounds for believing that the given in-zone address will not be a genuine, ongoing living arrangement, the board may withdraw any offer of a place it might have made on the basis of the given address.

After attendance has begun, if the school learns that a student is no longer living at the in-zone address given at the time of application for enrolment and has reasonable grounds to believe that a temporary in-zone residence has been used for the purpose of gaining enrolment at the school, then the board may review the enrolment. Unless the parents can give a satisfactory explanation, the board may annul the enrolment. This course of action is provided for under section 110A of the Education Act 1989.

#### **PARENT/CAREGIVER DECLARATION:**

I confirm that the address I have provided in Residence A will be the usual place of residence for my child when the school is open for instruction and that they will reside at this address with a parent or legal guardian who owns, rents or leases the property. I will advise the school of any subsequent change of address.

## SECTION B: Student lives OUTSIDE the zone

The enrolment of out-of-zone students is governed by the provisions of the Education and Training Act 2020. Out-of-zone places are subject to priority levels as stated in the Act.

The Nayland College Board will determine the number of out-of-zone places available for 2022 and notify the community by 28 May. **Enrolments close 27 August. Any out-of-zone enrolments submitted after this date will not be eligible for the ballot.** The ballot will be drawn on 13 September and successful out-of-zone enrolments will be notified by 16 September.

Please indicate which of the following priority levels apply to you:

## YEAR 10 SUBJECT SELECTION

All Year 10 students take the following subjects as part of their core programme:

- English
- Science
- Health
- Mathematics
- Social Studies
- Physical Education

In addition to these, students select **SIX** junior modules. These will be made up of six half-year modules or a combination of full and half-year modules. All modules are half-year unless specified as full-year.

We also have a list of 'Specialist Programmes' listed below. Please note, some are directed entry while others require an additional application process.

## SPECIALIST PROGRAMMES

### **DIRECTED ENTRY SUPPORT MODULES:**

#### **Finding Your Branson (Dyslexia Support)**

Students will learn strategies to help achieve success across other subjects and build an understanding of dyslexic strengths. Explore Office 365 apps that best support learning needs and look at ways to grow identified strengths in preparation for senior school and life beyond Nayland. Note: This Module meets the Technology requirements at Year 10.

#### **Mathematics Boost (Growing Mathematicians)**

Designed for learners who are looking to boost their confidence in Mathematics. Focuses on building confidence through growth mindset, multiple representations and foundational mathematical thinking. Boost confidence by covering upcoming content before topics are covered in core classes. The work done in this module supports work done in core mathematics. Please note: This support module is different to the optional **Mathematics Extension** module also offered.

#### **Literacy Boost**

Designed for students who need extra support with reading and writing. Group and individual activities focus on developing reading strategies and approaches to writing which will be used in a range of subjects.

#### **ESOL**

This module is a specialist full-year course for students with English as a second language.

### **APPLICATION REQUIRED:**

#### **Institute of Sport: Active Pedagogies Class**

The Active Pedagogies Class has been established for students who have been identified as benefitting from learning through, and about sports. Core subjects use sporting contexts where relevant and teach through a range of active pedagogy. Sport has generally been promoted for its positive impact on the physical health of young people. An increasing body of international evidence suggests that increased participation in sport and physical activity can also lead to improved academic and social outcomes, benefitting students, schools, and communities.

#### **Outdoor Education Module**

This half-year module aims to build self-confidence, teamwork, problem solving and communication skills as well as providing a genuine challenge in the outdoors. Students will explore local areas by foot, bike and kayak to establish a connection with local nature and learn about the human impact on different environments. Includes a two-day bush camp and day trip on the water. Note: There are course fees of \$90.00 to cover the overnight camp.

#### **Enrichment Programme**

The enrichment class is offered at Year 9 and 10. The purpose of this core class is to introduce students to a wide range of academic activities at higher levels of the curriculum. Our aim is to prepare students to sit some NCEA assessments in Year 10, to participate in extra-curricular academic events and activities and to generally broaden their holistic skills. It suits students who have excellent learning habits and a growth mindset.

Application forms for these are available on our website: [www.nayland.school.nz/enrolment](http://www.nayland.school.nz/enrolment)

## BLANKET CONSENT FOR EOTC

Education Outside the Classroom (EOTC) is the name given to all events/activities that occur outside the classroom, both on and off the school site. This includes sport.

- Nayland College believes in using a range of environments and experiences to enhance our students' learning.
- We are fortunate to have access to beaches, rivers, mountains and the bush in our area and beyond. These areas are rich learning environments for our students both in and out of school. Our school also values the concept of providing students with opportunities. Thus, some of the learning for students occurs beyond the school site and this document is seeking your consent for your child/ren to participate in such learning.

The Ministry of Education's **EOTC guidelines** identify four EOTC activity types, each with recommended types of parental/caregiver consent. In brief, they are:

Type	Description	Type of consent
<b>A</b>	<b>On site- in the school grounds</b> (i) Lower risk environments. For example, orienteering, environmental work on the Poor Man's stream, swimming at the Nayland Pools, etc.	(i) <b>No consent</b> sought or <b>blanket consent</b>
<b>B</b>	<b>Off-site events in the local community occurring in school time.</b> (i) Lower risk environments. For example, a Hospitality class visiting a café; athletics day; cross country event; running at Centre of NZ, careers trip, etc. (ii) Higher risk environments*. For example, sea kayaking on the Abel Tasman, mountain biking at Kaiteriteri, etc.	(i) <b>Blanket consent</b> at enrolment (ii) <b>Blanket consent</b> at enrolment
<b>C</b>	<b>Off-site events - finishing after school finishes</b> (i) Lower risk environments. For example, visiting an art exhibition in the evening. (ii) Higher risk environments.* For example rock climbing day trip at Cable Bay.	(i) <b>Blanket consent</b> at enrolment (ii) <b>Separate consent</b> for each event or programme
<b>D</b>	<b>Off-site residential overnight events</b> (i) Lower risk environments. For example, leadership conferences (ii) Higher risk environments.* For example, geography trip to the Gold Coast, white water kayak camp etc.	(i) <b>Separate consent</b> for each event or programme (ii) <b>Separate consent</b> for each event or programme

*\*Involves risk assessed to be greater than that associated with the average family activity.*

**All EOTC activity categories** require staff to undertake an analysis of the risks, and identify the management strategies required to eliminate, isolate, and minimise the risks. Emergency procedures are also in place.

### PARENT/CAREGIVER DECLARATION:

- I confirm that I have read the Blanket Consent for EOTC information above and agree to the participation of my child in category A, B and lower-risk C EOTC events.
- I understand that I will be required to give separate consent for my son/daughter to participate in higher risk category C(ii) and category D.
- I give permission for the school to act on my behalf in an emergency including any medical treatment deemed necessary. I agree to cover the cost of any expenses and understand that I am responsible for any loss or damage caused by my child.
