B. Insurance

It is a condition of enrolment that Travel and Medical Insurance cover be taken out. Students who are in New Zealand for less than two years are not entitled to health benefits but are entitled to ACC.

Guidelines

All students attending Nayland College must arrange insurance. We strongly recommend using our insurer, Uni-care. This policy provides extensive travel and medical cover as well as additional expenses: <https://www.uni-care.org/>

Depending on the length of stay in New Zealand, the cost will range from **NZ\$300 for 3 months – NZ\$800 for 1 year.**

Students who have a different insurance scheme must have a fee protection cover and provide a copy of their insurance, in English, to the College prior to departure.

Fees Protection Policy

<https://nayland.school.nz/international-students/information/>

Rationale

The Board of Trustees undertakes to hold enough funds in reserve, and these will be available to refund the unspent portion of fees if the course is cancelled.

C. Immigration Requirements

Where a student has been accepted to study at Nayland College, and upon receipt of fees, a Receipt of Payment will be sent to enable a Student Visa to be obtained. Full details of visa requirements are available through the New Zealand Immigration Service – <http://www.immigration.govt.nz>

D. Nayland College Expectations

When considering an enrolment it is very important that families read carefully the information found online at <https://nayland.school.nz/international-students/apply-now/> and especially the document "Nayland College School Rules and Conditions of Enrolment for International Students"

Both parents and prospective students must be clear as to Nayland College's expectations before signing the enrolment form.

E. Failure to Meet Expectations

When an International Students fails to meet these expectations a number of steps will be taken to help correct the problems. This will involve our Director talking to the student, Nayland College Senior Leadership intervention, and homestay parents. Parents will be kept fully informed of any situations causing concern and should feel free to contact the College staff at any time.

If, after a series of warnings or after a major incident a student's behaviour or attitude is deemed unacceptable or places themselves or others in danger the school will follow its policies and procedures and the contract of enrolment may be terminated.

In addition, where a decision is made to remove a student from the school's homestay arrangements and this necessitates a potential return home, the following procedures will be followed:

- 1 The agent and parents of the International student will be notified of the matters causing concern.
- 2 A decision will be made as to whether the student should be given permission to enrol with an alternative provider in New Zealand.
- 3 The Principal's decision can be referred to the Board of Trustees where the student has been suspended or removed from the homestay.
- 4 The student has the right to attend the hearing and to be represented as provided for in the Education Act.
- 5 If deemed necessary the Contract of Enrolment may be terminated.

F. Refund of Tuition Fees

Find full information at:

<https://nayland.school.nz/international-students/information/>

- 1 To be eligible for a refund an application must be made in writing to the Board of Trustees by the parent or legal guardian clearly stating the reason for withdrawal of the student
- 2 If the withdrawal is made prior to the student coming to New Zealand a full refund shall be made less **\$1,000.00** administration fee.

In determining any refund, the Board of Trustees will take into consideration the special circumstances of the withdrawing student and

- The costs to the school in providing tuition
- Costs incurred in employing staff and providing facilities
- Payments made to the New Zealand government

Partial refund of Tuition fees may be made to a student who:

- Withdraws after starting their programme of learning
- Transfers to another school or educational institution
- Is asked to leave because of misbehaviour, poor attendance or violation of the contract.
