### QTY ITEMS

#### BYOD Devices

In 2022, we encourage students to bring their own device to school. We recommend that students have a device that: - Is a laptop (has a physical keyboard) - Has a battery that will last 6+ hours - Is lightweight -Is robust enough to survive teenage life Modern devices that have a solid-state drive and run Windows 10 tend to suit our environment the best (mobile phones are not suitable for BYOD learning).
