1. Why New Zealand?

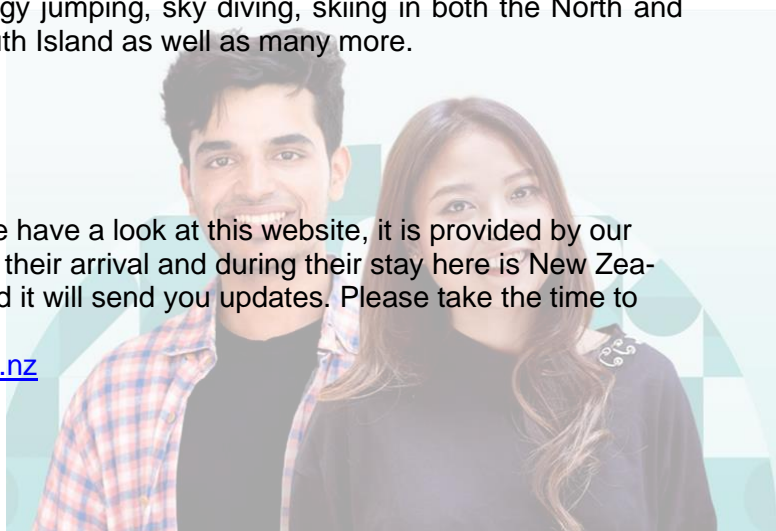

New Zealand is a very popular destination with international students. We have an excellent educational system in our schools, universities, and polytechnics and they are internationally recognised around the world.

New Zealand is an ideal place to study and travel. We have sophisticated cities, beautiful beaches, rugged coastlines and snow-capped mountains. The country offers opportunities to try many different activities like bungee jumping, sky diving, skiing in both the North and South Island as well as many more.

2. NauMai NZ

Before you arrive in New Zealand please have a look at this website, it is provided by our Government to support students prior to their arrival and during their stay here is New Zealand. You can sign up to this website and it will send you updates. Please take the time to have a look:

www.naumainz.studyinnewzealand.govt.nz

3. Covid 19

You will need to be aware of the requirements for entering New Zealand. You can read more about that on the Unite Against COVID-19 website [here](#). On arrival you will be required to have a rapid antigen test on day 0/1 and day 5/6. More information can be found [here](#). Please check this regularly as advice is subject to change. If a student or household member tests positive for Covid then they must isolate at home for seven days from the onset of symptoms. Again this is subject to change. Students will be able to access work from home via Microsoft Teams

Please follow local health advice and use basic hygiene measures to minimise the risk of exposure. The Ministry of Health provides useful information about [protecting yourself and others from COVID-19](#).

Vaccination

We require you to be fully vaccinated against COVID-19 before travelling. You may need to show proof of vaccination as a condition of entry to some destinations. Some countries and territories may also require you to show proof of vaccination to access venues/services. Make sure you obtain an international travel vaccination certificate if appropriate for your country before you travel.

Before you go:

Visit the [Unite Against COVID-19 website](#) and make sure you understand [New Zealand's entry requirements](#) for when you return

And finally, take out comprehensive [travel insurance](#) and check your travel insurance policy carefully to see what's covered, particularly in the event your travel is disrupted due to unexpected government-imposed restrictions

4. Climate

New Zealand boasts temperatures in summer of up to 27 degrees Celsius and in winter around 7 degrees Celsius. The coldest and wettest months are June to August and the warmest months are December to March.

Nelson has the highest sunshine hours in New Zealand and has a good reputation for its soothing Mediterranean climate. It is protected from the country's prevailing winds by the surrounding mountain ranges. There are four distinct seasons: a hot, dry summer peaking in February, a cooler autumn, a clear and crisp winter and then a milder, moist spring.

New Zealand homes have fires, heaters and electric blankets to make winter a pleasant time. Even in winter, Nelson skies are blue and the warm clothes you put on in the morning will often be too hot by lunchtime. The sun is very strong in New Zealand, and you will need to use a sun screen to protect your skin, especially during spring and summer. For more information on New Zealand climate and weather [click here](#).

While these temperatures are the norm, the weather in New Zealand can change unexpectedly as cold fronts or tropical cyclones quickly blow in. Because of this, you should be prepared for sudden changes in weather and temperature, particularly if you're going hiking or doing other outdoor activities during the holidays.

5. Nelson

The Nelson region is famous for its year-round sunshine, long golden beaches, national parks, locally grown products, freshly caught seafood and a large creative community of working artists. Nelson is known for its vibrant music, arts and cultural calendar with a multitude of annual events and festivals.

The City of Nelson is the geographical centre of New Zealand and large enough to offer all the services and amenities of a large city yet is small enough to be intimate, welcoming and friendly. Nelson has a population of approximately 55,000 people. It is New Zealand's largest fishing port and the gateway to a major forestry and horticulture industry. Add to this the attraction of fine foods, superb wines, an innovative craft industry, spectacular scenery and traditional Kiwi hospitality and you can understand why Nelson is a place to which holiday makers flock all year round.

The journey from the city of Nelson into the western region of Golden Bay and the Abel Tasman National Park is truly spectacular. Here the beautiful coastline is famous for clear blue waters and pristine golden sand beaches. The Abel Tasman National Park can be explored by guided walks, sea kayak, cruise boat, water taxi or freedom walking – experience penguins, seals, dolphins and native birds all set in lush native forest and beautiful beaches.

Inland Nelson is a wonderland of water adventure, including kayaking, rafting, boating and for those who prefer fishing, the Nelson Lakes area provides some of the best trout fishing in the world.

6. Getting Places

In NZ, you will not have a driver to drive you places. You will need to be very independent in getting yourself to and from events, sports practice, shops etc. We expect your host parents to treat you just the same as their own family. Sometimes you will get picked up and other times you will need to catch buses, walk or bike.

We drive on the left side of the road, so you need to be very careful when crossing the road – make sure you look both ways! Remember look right first, then left, then right again, then cross the road. Each year in NZ there are accidents with international students who are knocked over on the roads by cars. This is potentially the most dangerous thing you will do whilst in NZ. Please be VERY careful.

You will be issued with a student ID card after you start school. This will get you cheaper bus fares and cheaper entry into places around Nelson and NZ. Your host family will make sure you can get to school on your first day. At orientation, you will receive the local bus timetable – remember to keep it!

7. What to take to New Zealand?

Below are items we suggest you bring to New Zealand. Depending on the time of year you are coming, will depend on what you bring. Here are some suggestions:

Spring/Summer (Oct-April)

- Swimwear
- Sunhat
- Sunglasses
- Sunscreen
- Shorts
- Skirts
- T-Shirts
- Jumper/Sweatshirt
- Light Raincoat (something that will keep you dry)
- Good walking shoes

Autumn/Winter (May-Sept)

- Warm waterproof jacket
- Sweater/Jumper
- Long Trousers/Jean
- Long Sleeve Shirts
- Scarf

- Gloves
- Good Walking Shoes

For formal wear (eg. School ball in August), we suggest the following:

Girls: Dress, Trousers/Skirt, Blouse, Dress Shoes

Boys: Long Trousers/Pants, Shirt, Tie, Dress Shoes, Socks

Miscellaneous Items

We suggest the following on top of the items listed below:

- | | |
|---|---|
| <ul style="list-style-type: none"> • Camera • Medication • Umbrella • Toiletries • Towel | <ul style="list-style-type: none"> • Photos of Friends and Family from back home • A few personal belongings to help your room feel like home |
|---|---|

Please note that if you are bringing anything valuable (i.e. camera, phone, laptop etc.), you **MUST** have copies of the purchase price (i.e. proof of purchase or receipt) as you will not be able to claim for insurance if you don't have these.

If you have a current medical condition, we **MUST** know about this not only for insurance purposes but so we can assist you if you become unexpectedly ill.

8. Pocket Money & General Living Costs

Pocket money is a personal decision to make. Most NZ school students get only about \$50 per week to spend on going out. We suggest for an international student, around \$80 – 100 per week is a good estimate. Buses are more expensive than you are probably used to.

Make sure your parents are aware there are extra school costs such as uniform, books, Outdoor Education, field trips, sports fees so you do not pay for them out of your pocket money.

9. Travel and Medical Insurance

It is compulsory for all International Students who study at Nayland College to have Travel and Medical insurance. This means that every time you go to the doctors you can claim back the costs of your appointment and medication costs, or if you are travelling around NZ and lose something (i.e. your camera) then you can claim that back too. Please remember to keep your proof of purchase for electronic goods (e.g. laptop, camera, iPod etc.) in case you need to claim for anything.

If you have not purchased our insurance (Unicare) then you will be asked to provide a copy of your insurance at our orientation (1st day of school). If you have forgotten to ask us to organise your insurance, please contact Sophia (E-Mail: sophia.morris@nayland.school.nz) and she will send your parents or your agent an invoice – it's never too late!

10. Visas

It is compulsory for ALL International students to have a visa whilst studying at a secondary school in New Zealand. Students studying for more than one term have to apply for a Student Visa. On the student visa, it must state Nayland College. If it has another institution, you will need to change the status of your current visa. This can be done with a Variation of Conditions. Student visas can be applied for in New Zealand, online at a cost of \$340. All visa information is available on the following website: <http://www.immigration.govt.nz>

11. When to arrive in New Zealand

We recommend you arrive just a couple of days before school starts as it can get a little lonely waiting without knowing anyone and your host parents are probably at work (most parents in NZ work). We do not want you to arrive late, as the first days with our orientation are vital for you to fit into school life.

12. Passports and Passenger Arrival Cards

When you arrive in New Zealand, you'll need to be carrying a passport that is valid for at least six months beyond your intended departure date.

On arrival, you will need to complete a passenger arrival card before passing through Customs/Passport Control. An arrival card will usually be given to you during your flight; if not, cards are available in the Passport Control area.

Passenger arrival cards provide information about what you can and cannot bring into New Zealand. Because New Zealand is an island it is very strict on what is brought into the country to protect its plants, animals & agriculture. *It is important to be familiar with this form.*

Click [here](#) to view the form in English.

Ask the cabin crew if you have any questions.
If in doubt, ask customs and declare any animal or plant products.

After you've cleared Customs Passport Control, you should collect your baggage and walk through either the green or red exit. Choose the green exit if you have nothing to declare; choose the red exit if you have goods or cash (over \$10,000NZD) that need to be declared.

Do not bring any food into NZ (unless you declare it) or you will be charged a fine on arrival. Fines start from \$200NZD!

13. Arrival in Auckland

Make sure you send your flight details to us as soon as you have booked your flights! We would hate for you to arrive and us not being there to pick you up. Look closely at your tickets as it is often an entire day ahead as NZ is the first place to see each new day!

Auckland airport is very small in comparison to other airports around the world, so you shouldn't get lost. Walk out the arrivals door and keep to your left. You will need to make your way to the domestic terminal to catch your next flight to Nelson. As you exit the International Terminal there is a free bus that will take you to the Domestic Terminal. It leaves every 15 minutes from just outside the main building. Alternatively, you can walk to the domestic terminal. This will take you about 10-15 minutes and you just follow the green line painted on the footpath. We can contract our partners (OK Welcome) www.oknz.co.nz to pick you up and help you with the transfer if you wish. Once you have arrived at the Domestic terminal you may have to check in for your next flight at the self-help kiosk or if your flights are on one ticket you can just drop off your bags at the counter.

When you arrive at Nelson airport you will be met by our homestay co-ordinator and your host family.

14. Changing Money

If you have some money to change into New Zealand dollars it is easiest to do it at the airport. \$200 - \$300 NZ is plenty to see you through the first few days. You may want to buy a mobile phone or an international phone card to use to let your parents know you got here safely. It is best to ask your homestay if you can call them to let them know you have arrived and safe in your new host family.

15. Bank Accounts

It is advisable to open a New Zealand bank account, if you are here for a year or longer. It doesn't cost anything to do and it makes things a lot easier when you are in New Zealand. We do not recommend that you keep large sums of money around your house/room/school or carry it around the streets on an everyday basis. In New Zealand, most people use EFTPOS bank/debit card and we encourage you to do the same. This is both the most convenient and the safest way.

16. Working in New Zealand

If you are in Y12 or 13 and if you have a Student Visa, you may be able to work part-time, up to 20 hours per week, and full-time during scheduled holidays. If you are interested in this possibility please read more about it here: <http://nzstudywork.immigration.govt.nz/work-rules-for-students/working-on-a-student-visa/>

You will need to submit a Variation of Conditions form which is available in the international office along with a letter from your parents giving you permission to work and a letter from

Nayland College giving the same permission. The fee to apply for this Variation of Conditions is \$190. If you apply for the work visa the same time as applying for your student visa it is cheaper. Nayland College does have the right to have your work visa terminated if we think it is affecting your schoolwork.

17. Can I Drive Whilst in New Zealand

International students are **not allowed to drive at all** while studying at Nayland College unless you live with your own parents. However, you can sit the tests as it may be much cheaper than in your home country, but you first **MUST** get approval from the International Director, before doing this.

18. Smoking and Vaping in New Zealand

New Zealand is aiming to be a smoke free country by 2025. In NZ, there are very strict rules about not smoking and vaping. You are not allowed to smoke or vape in buildings, workplaces or public sport fields etc. The smoking age in NZ is 18yrs or over. If you smoke or vape and would like help to stop, please talk to us about this.

19. Homestay Families

We try to carefully match you and your host family, so the more information you can tell us about what you are hoping for and what your interests are, the better we can match you. We get applications from host families from our local community. If we think they are suitable, we then visit the home and interview the family. If we are happy with them, we then get everyone over 18 in that house Police Vetted by the NZ Police Department to make sure they are suitable to host.

Every host family is different. There are single parents, older or younger couples as well as families with or without children. Sometimes families also host other international students. Most of our parents' work (both mother and father).

You will always have your own room. It is common for the children/students in the house to share the bathrooms. Always pick up your towel and put it on the towel rail.

When you arrive talk to your host family about what to do with your dirty clothes, so they get washed. Most families have a washing basket and you will just need to put your dirty clothes in the basket, so they get washed.

Students may be expected to help with some household duties. There will also be house rules to follow: for example, there may be limits on telephone use, computer use and length of time in the shower or watching television. These house rules may vary between families.

If you are unhappy with your homestay placement when you get to NZ, we will ask you to try to work things out. If this still doesn't work, we will do our best to move you to another suitable family. There are sometimes personality clashes and we understand this. We want you to feel as happy as you can in NZ and this is a major part of your experience. We do require one to two weeks' notice if you or the host family decide to make a change.

If you damage any property in your homestay, please be honest and tell your homestay so you can work out a way to fix anything. Please leave your room and the rest of the house clean and tidy when you move out otherwise you may be charged a fee for having your room cleaned.

20. A typical Day

The day in New Zealand generally starts at about 7am when most people get out of bed. The weekend is Saturday and Sunday, and often people will wake up later on these days. It is most usual to have a shower first thing in the morning and then have breakfast. Breakfast usually consists of toast, porridge, cereal or eggs.

During the weekdays, work and school start at about 8.30am and end at about 5pm (school for children ends at about 3pm). Lunch is usually half an hour, taken some time between 1pm and 2pm. It is a light meal, often just a sandwich and some fruit. Many food outlets and cafés sell hot food during lunch time but it is rare for people to return home for a large meal.

People generally come home in the late afternoon or early evening (about 6pm) and families are likely to have dinner together sometime between 6pm and 8pm. It is common for New Zealanders to spend time together in the evening, talking or watching TV. Usually people go to bed sometime between 9pm and 11pm. In the country districts, it may be earlier. In the weekends, many people go out to visit friends, cafés, movies, bars or restaurants. It is usually only on weekends that people stay up late unless there is a special reason.

21. Food

Your host family will feed you 7 days per week (3 meals per day). In NZ, we tend to eat sandwiches for lunch and a hot cooked meal in the evenings. You might find this hard to get used to if you normally have a cooked meal in the middle of the day. You should always make your own lunch. You will need to ask your homestay/caregiver what is available for lunches. Try to avoid eating unhealthy snacks and takeaways during the day and remember that you will be having a cooked meal in the evening.

It is also a nice idea to help around the house at dinner time – perhaps ask if you can help by setting the table, helping to cook dinner every now and then. Why don't you bring a recipe from home and cook it for your new family? Meal times are a great way to practise your English. Your family can teach you a lot about New Zealand so ask lots of questions. Just remember, food in New Zealand may be different to what you are used to – always try it first, then if you don't like it you may say so.

22. Can I have friends around to my house?

Your host family will treat you like a family member. So of course, you are allowed friends around to visit. Make sure you ask your host parents before you have your friends around. When they leave, please ensure you have not made a mess and if so, get your friends to help clean up! "More hands make light work". If you wish to have friends stay the night, it is entirely up to the host parents. If they say no, please respect their decision.

23. Curfews in New Zealand

Most of our homestay families have or have had children so can relate to going out and wanting to get involved. Curfews can be tricky. The older you are, the later families will allow you to stay out at night, but what you must realise is that New Zealanders go to bed quite early by international standards and there is not a vibrant night-life for those under 18. Photo ID is required for 18-year olds to go to licensed premises.

Discussion and communication are the key to curfews working well with you and your host family. The most important thing is to inform your host family of your location – especially if you are going to be late home, not home for dinner, staying at a friend's house etc. This is common courtesy and for your own safety.

Possible curfew times in New Zealand (varies from house to house)

Age	Sunday - Thursday	Friday and Saturday
13 years old	6:00PM - 6.30PM	8.00PM - 8.30PM
14 years old	6:00PM - 6.30PM	8.30 - 9.00PM
15 years old	6:00PM - 6.30PM	9.00 - 9.30PM
16 years old	6:00PM - 6.30PM	10.30 - 11.00PM
17 years old	6:00PM - 6.30PM	11.30 - 12.00PM
18 years and up	6:00PM - 6.30PM	12.30AM - 1.00AM

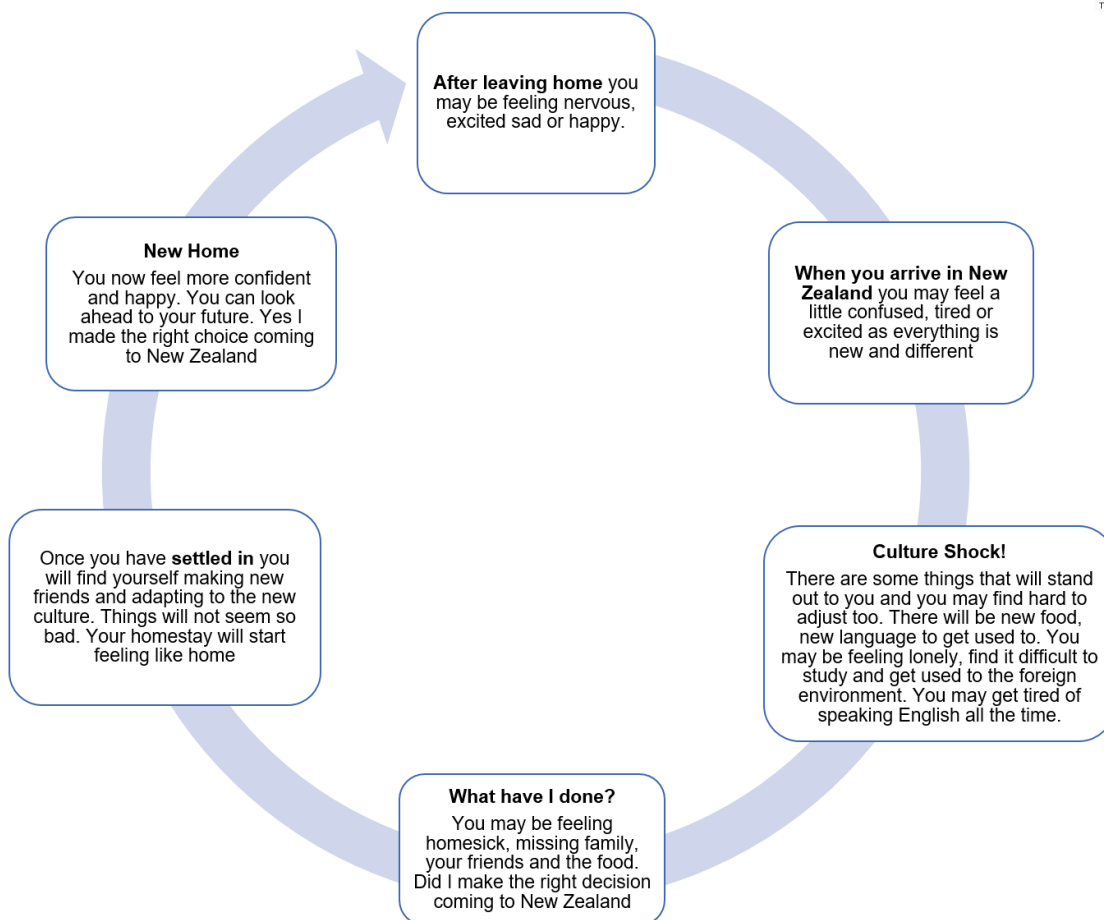

24. Culture Shock – Arriving

Some good ways to successfully minimize and overcome culture shock are to read about the place where you will be staying and the things you will be doing, also, if possible, speak with someone already living in the new environment.

Once you are there, keep in mind that people and customs may be very different from what you are used to. Having realistic expectations and realizing that difficulties and misunderstandings may occur will help you keep a cool head when they do and keeping an open mind will allow you to find solutions to those problems that may arise.

When possible interact with the local population. Don't succumb to the temptation to isolate yourself, even if it is within a group of compatriots. Locals will generally be pleased to introduce you to their culture and willing to answer questions. Don't be afraid of making mistakes. When you are eager to learn, people are usually more than willing to meet you half-way and learn from you in turn.

Find ways to keep in touch with family and friends at home. Sometimes you just need to talk with someone who fully understands who you are and feels that your way of being is not strange, or rude. Keeping in touch also makes the homecoming process much easier.

25. Internet and Telephone Use

Most of you will have cell phones as will your homestay families. Make sure you exchange numbers with all members in your homestay family, so you can phone or text (message) them when necessary.

Your host family may have a landline telephone in their home. The landline telephone is free to call when you call within Nelson and Richmond. If you wish to use the landline telephone to call your parents in your home country, please talk with your host family first.

Please ask your host family before using the internet. They may have a limit on their internet usage so do not download a lot of information – i.e. music or movies! If you are a person who uses the computer a lot, perhaps think about bringing your own laptop to NZ. Computers are available to use in the school during lunchtimes, before and after school until 4 pm. Free Wi-Fi exists throughout the school for you to use.

26. Bus Schedules

Please visit this website for a comprehensive list of bus times in Nelson
<http://www.nelson.govt.nz/services/transport/nbus/routes-and-timetables/>

27. Travelling Around New Zealand

You can travel around New Zealand if you are with a tour company or have special permission from the International Office at Nayland College. All travel **MUST** be approved so please make sure you get used to talking to us before you go anywhere outside of Nelson.

We want you to see as much as you can in New Zealand and there is always more than one way of getting to see places. Our office has many trips available throughout the holidays ranging in price from \$220 for a weekend trip to Golden Bay to \$3000 for a full South or North Island trip for 15 days.

If you want to have a look on their websites, these are the tour operators that we support, some of which may not be operating at present:

Connectionz: http://www.connectionz.org.nz/Tours_24.aspx

Learning Journeys: <https://www.learningjourneys.co.nz/international-students>

New Zealand Educational Tours: <https://www.nzet.com/>

NZ direct: <http://studenttours.co.nz/>

Don't be afraid to ask for help when looking for places to go. The rules we have regarding travel are for your own safety.

28. Holidays

Travel back to your home country is normally only permitted in the mid-year holidays (after term 2 - July) and after the school year finishes in December. We strongly advise you to only go home in these holidays and at Christmas time if you need to go home. We will allow you to travel home at other times only for special circumstances, but we need a letter from your parents explaining why you need to go.

All travel within the year MUST be carried out during school holiday time, i.e. after the last day of term and before the start of the next term. Any days off school will result in an absence being marked on the school computer system.

Your attendance MUST be 100% to enable you to pass your school academic study, and/or if you are wanting to apply for a new visa for further study in New Zealand.

29. Culture Shock – Going Home

It is often difficult to readjust to the old way of life. While reuniting with friends and family is always a pleasant experience, you may miss the routines and habits acquired while away. This can be frustrating and dismaying when you envision homecoming as a wonderful moment where the world goes back to feeling "normal" again.

The truth is though, that like you missed the habits and customs that made home "home" you will also yearn for those habits and manners that you became accustomed during your absence. Also, after an absence of several years it is likely that things have changed somewhat from your idealized memories. Similarly, to culture shock, the feeling eventually passes as you re-acclimatize and settle in to your old surrounding.

31. Do I have to wear a uniform at Nayland College?

Nayland College students in years 9-12 are required to wear a uniform.

For **international** students studying in years 9 and 10 (junior students) it is *compulsory* to wear uniform.

For **international** students in year 11 and 12 it is *recommended* they wear uniform, as this helps with integration. However, for international students it is *optional* to wear uniform. If students choose not to wear a uniform, they will be required to follow the [dress code for year 13](#) students.

No uniform is required for Year 13 students. However, there is a [dress code for year 13](#).

Students representing the school at certain events may be required to wear uniform.

33. What sports or cultural clubs can I join in New Zealand?

There are many clubs and activities to join in with at Nayland College. The more you get involved the more friends you will make. Nayland College has the “Daily Notices” which are issued every day and inform all the students what is on in and around school – i.e. where to sign up for sports teams, music groups etc. Make sure you read them every day!

Sports are seasonal (summer and winter sports) so it is essential to check if the one you are interested in is in fact on while you are here. Make sure you let us know if you are interested in any activities, so we can let the teachers in charge know you are coming, especially if you are in the top teams/groups in your school/province!

Please be aware that there may be additional costs if you join a sports team.

Sports include:

At Nayland College we have one cafeteria for the students. You can buy snack food at morning tea (interval) and at lunchtime. There is a range of hot and cold food available to purchase. New Zealand schools do not have sit down cafeteria like in most other countries. We recommend bringing your own lunch to school, as most students do – Your host family will provide you with this.

43. Policies and Procedures

Fee Protection Policy For International Students

PURPOSE:

This fees protection policy makes clear factors that will be considered to ensure that international student fees paid in advance are protected and can be made available in accordance with the school's refund policy. This policy should be read in conjunction with the Education (Pastoral Care of International Students) Code of Practice 2016.

FEES PROTECTION:

The school will ensure that its fee protection mechanisms and accounting procedures provide the following safeguards:

1. The school will ensure that funds from international students paid in advance are accounted for in such a way that individual student balances are clearly identified and monitored
2. The school will ensure that generally accepted accounting procedures are applied to international student fees paid in advance
3. The school will ensure that only those staff with appropriate authority will have access to international student funds paid in advance
4. The school will ensure that all International fees paid in advance shall be paid into the school's operating account or other account authorized by the Principal
5. The school will transfer fees paid in advance to revenues at appropriate intervals during the period of enrolment for each student
6. The school will ensure that it has sufficient funds available to meet any remaining international student fees paid in advance liability at any time.
7. The school will ensure that the operation of this fee protection policy is audited as part of the school's audit procedures.

REVIEW:

The school will review procedures relating to this policy as part the annual self-review. The school will collect and record appropriate evidence of the review.

REPORTING:

The staff member in charge of international education will report directly to the school Principal on the operation of the school's fees protection policy.

International Students Refunds Policy

Request for a refund of international student fees

The School will consider all requests for a refund of international student fees. Requests should be made in writing to the School as soon as possible after the circumstances leading to a request.

A request for a refund should provide the following information to the School:

- The name of the student
- The circumstances of the request
- The amount of refund requested
- The name of the person requesting the refund
- The name of the person who paid the fees
- The bank account details to receive any eligible refund, including address of bank and swift code where relevant
- Any relevant supporting documentation such as receipts or invoice.

Non-refundable fees

The School is unable to refund some fees. The following fees relate to expenses that the School may have paid or will incur as a result of receiving an application for enrolment and cannot be refunded:

- a) **Administration Fee:** Administration fees meet the cost of processing an international student application. Administration fees exist whether an application is accepted or not or whether a student remains enrolled after an application is accepted.
- b) **Insurance:** Once insurance is purchased, the school is unable to refund insurance premiums paid on behalf of the Student. Students and families may apply directly to an insurance company for a refund of premiums paid.
- c) **Homestay Placement Fee:** Homestay placement fees meet the cost of processing a request for homestay accommodation by the Student. Costs incurred for arranging homestay accommodation for the Student before the refund request, cannot be refunded.
- d) **Used Homestay Fees:** Homestay fees paid for time the Student has already spent in a homestay cannot be refunded. Used homestay fees may also include a notice period of two weeks.
- e) **Portion of Unused Tuition Fees:** The School may retain a portion of unused tuition fees. Amounts retained will relate to costs that have been incurred or committed by the School and may vary.

Request for a refund prior to enrolment

- a) If the Student fails to obtain an appropriate study visa, a refund of international student tuition fees will be provided less any Administration Fee that has been paid.
- b) If the Student withdraws before the start of their enrolment, owing to medical or travel conditions arising from Covid-19, the school will provide a full refund of fees.

Requests for a refund for voluntary withdrawal from enrolment - Withdrawal before enrolment

If the Student voluntarily withdraws before the start date of their enrolment, a refund of international student fees will be provided less any relevant non-refundable fees set out in this policy.

Requests for a refund for voluntary withdrawal from enrolment - Withdrawal after enrolment

If the Student withdraws on or after the start date of their enrolment, reasonable written notice of withdrawal is required by the school. Unless otherwise agreed by the School, a refund will be provided less a minimum of ten weeks tuition fee and any other relevant non-refundable fees as outlined in this policy. The ten week notice period will begin the day after the date on which the school receives written notice of the student's intention to withdraw.

Requests for a refund for enrolment of one term or less

Where the Student is enrolled for one term or less and withdraws early, or where the school terminates the Student's enrolment, any unused portion of international student fees will be not be refunded.

Requests for a refund where the School fails to provide a course, ceases as a signatory or ceases to be a provider

If the School fails to provide the agreed course of education or is no longer a signatory to the Code or no longer operates as an international education provider, the School will negotiate with the Student or their family to either:

- a) Refund the unused portion of international student tuition fees or other fees paid for services not delivered or

New Zealand's quality standards

All international students enrolled with a New Zealand education provider are covered by the New Zealand Government's Education (Pastoral Care of International Students) Code of Practice.

This is legislation that outlines the level of care that education providers, and their agents, must provide to international students while they live and study in New Zealand.

The education system is regulated with strong quality assurance systems across the board.

In general, as an international student you can expect that:

- the quality of teaching and learning you receive will meet high educational standards
- the marketing and promotion information you receive before you enrol is clear, complete and accurate so you can make a well-informed decision about whether an education provider is the right choice for you
- education providers' agents give you reliable information and act with integrity and professionalism
- you will receive enough information and support to help you with your enrolment, including understanding the legal obligations you have, and that you will receive all the proper documentation
- you are welcomed and have enough information, guidance and support to help you settle into your new life in New Zealand
- your study environment is safe, and that you have a safe place to live
